How to Log in to Moodle

Open up your browser and go to http://www.cumberlandcollege.sk.ca/web/ and you will see this screen

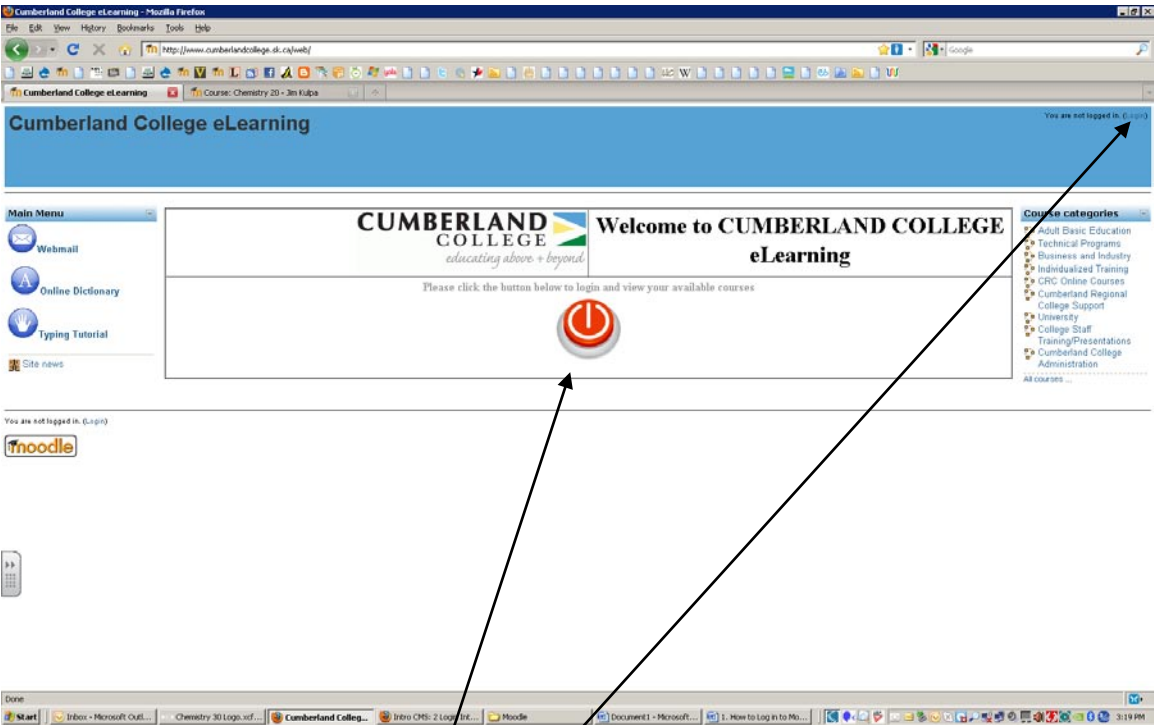

To log in to those courses click here or here. Your username and password has to be provided by your teacher or a Moodle administrator.

Here is the login screen. Enter your username here and your password here. Then click the Login button.
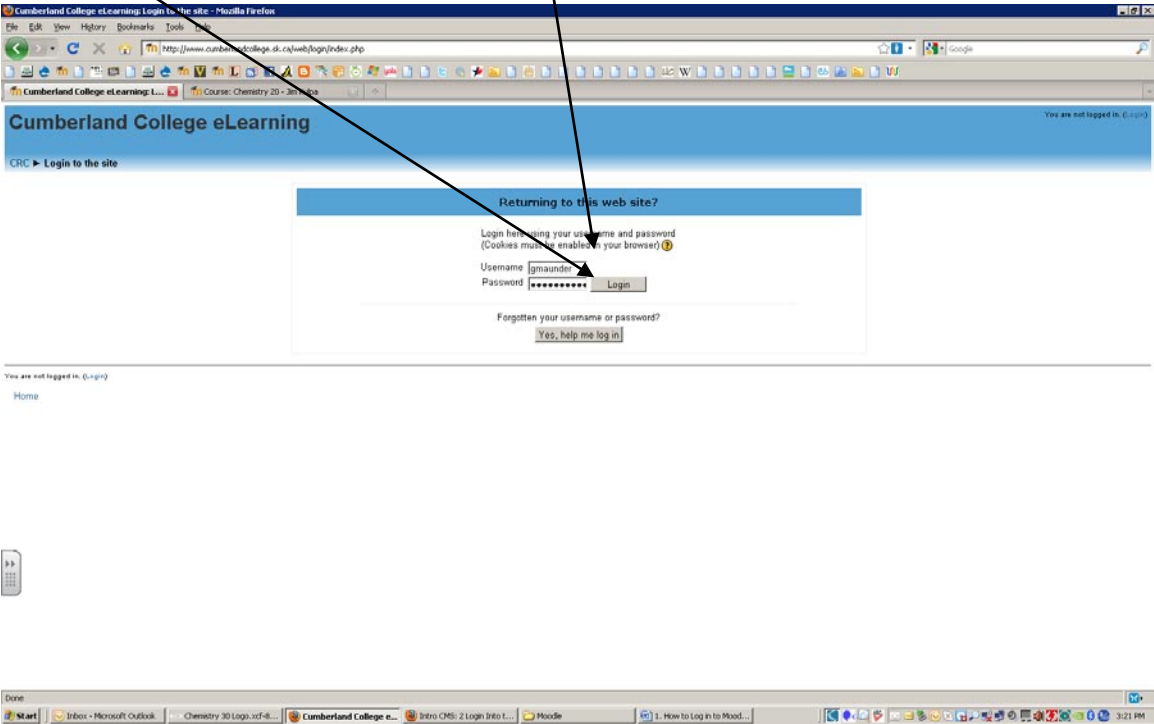

You will be brought back to this screen however your now will see any courses in which you have been enrolled here. Merely click on the course name and you are ready to begin.
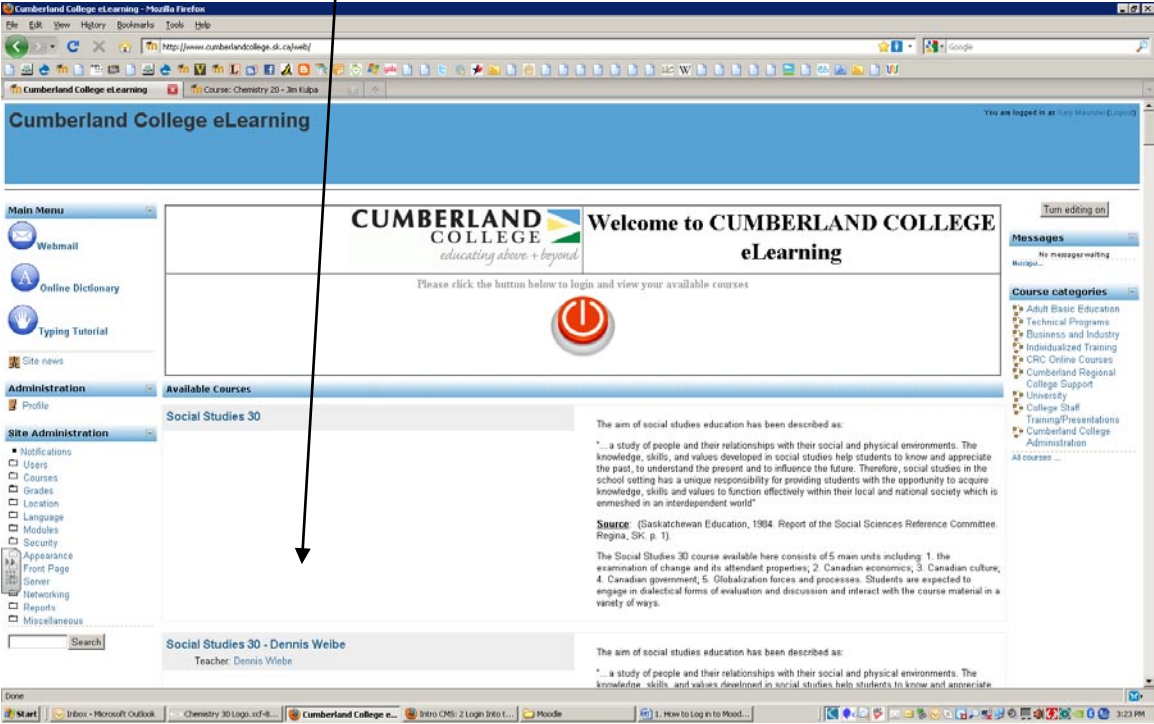

If you cannot get logged in, first check to make sure that you typed your username and password correctly (it is easy to mistype something). If you are still having difficulty talk to your teacher.
